

# POLYPROPYLENE OVAL PROCESSOR TRAYS

*Expanding Your Home Meal  
Replacement Offerings*

## RETHINK HEAT AND EAT

Sabert's new polypropylene Oval Processor Trays are the perfect way to initiate or expand your Home Meal Replacement program. Carefully designed with processors in mind, the premium trays are compatible with automation and film sealing to help streamline operations. New Oval Processor Trays maintain food integrity in the refrigerator and durability throughout production and transit. Microwave-safe, the trays allow for fast and easy reheating at a moment's notice. Appealing table-ready design combined with premium functionality enhances the overall dining experience.
