# SureHinge™ Tamper-Resistant Rectangles

**90%** of consumers believe brands have a big responsibility to ensure safety<sup>1</sup>

- **SureHinge™** from Sabert is the premier packaging choice for merchandising fresh food in a secure & aesthetically pleasing way.
- **SureHinge™** packaging offers you and your customers protection from intentional and unintentional tampering, so you can rest assured no one else handles your food before it's purchased.
- **SureHinge™** technology helps to protect your food without additional resources needed for shrink bands, labor and waste from foods being exposed to heat tunnels.<sup>2</sup>

## SureHinge™ Protects You from Intentional & Unintentional Tampering

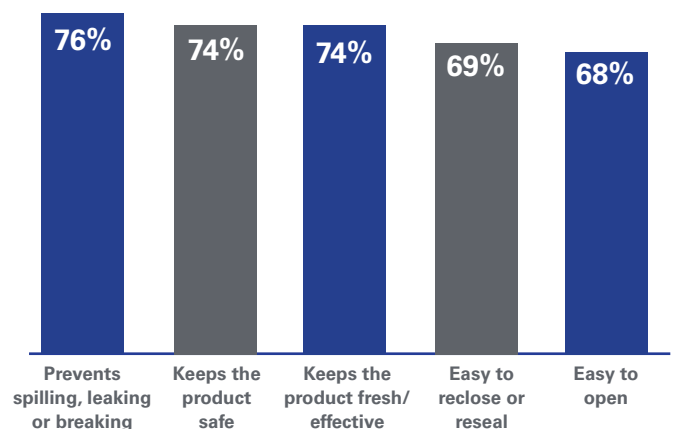

**SureHinge™ Snap and Lift Technology**

## More Secure, No Waste

- **SureHinge™ Technology:** Our audible snap and lift technology lets consumers know if your containers have been opened or are closed
- **No Waste:** SureHinge™ offers consumers the security of tamper-resistance, without having to worry about having excess plastic waste strips, once when the container has been opened

## Top Attributes for Product Safety<sup>1</sup>

# Reliable Performance. Premium Aesthetics.

## Tamper-Resistance You Can Trust

- **More Secure:** It's difficult to bypass SureHinge™ tamper-resistant technology without damaging the container, making it the premier choice in food safety
- **Tamper Indicator:** Store operators and customers can easily see when a container has been opened with our SureHinge™ tamper-resistant technology

## Leak Resistant & Stackable
