Expand Prepared Meal Offerings With Sabert

- **Any Market, Any Food:** Functional construction and multi-use designs are perfect for a range of food manufacturers and retailers.
- **Temperature Tested:** CPET is precisely engineered plastic capable of withstanding extreme temperatures without cracking or warping.
- **Prepared Versatility:** Easily and safely heat all types of shelf-stable, refrigerated or frozen foods in ovens or microwaves.
- **Processing Efficiency:** Available in both standard and unique footprints that are film sealable and have de-nesting features.
- **Design Diversity:** Offered in a variety of shapes and sizes suitable for single-person and family size meals sold at retail, by institutional delivery programs, or by corporate delivery programs.
- **Visible Clarity:** Clear, stackable lids showcase food for maximum retail shelf appeal while also being space efficient.
