Delivery Solutions

Packaging Perfect for Delivery

This is only a small representation of Sabert's packaging suitable for delivery. For more delivery food packaging options or for more information, visit www.Sabert.com or call 1 (800) 722-3781.

Make Delivery Your Competitive Advantage

Due to rising trends, delivery is now a must-have for all restaurants and food establishments. Sabert's delivery experts can help form your new delivery strategy or take your current delivery to the next level in a way that's suited to your menus, customers, and method of delivery.

1 out of 3

consumers say that purchasing restaurant takeout or delivery is an essential part of their lifestyle.*

12%

is the annual growth rate of the delivery market since 2012.**

3 out of 4

restaurants evaluated in Sabert's Food Delivery Pressure Test can enhance the consumer experience by using different packaging.****

\$9 billion

is the value of the online delivery ordering market.***

50%

of respondents purchase restaurant food to eat at home at least 4 to 6 times per month.****

Take Delivery to the Next Level

- **Expertise in Food Delivery:** Experts at Sabert continuously conduct research, including an annual Food Delivery Pressure Test, to gain insights into the best solutions for takeout and delivery packaging.
- **Maintain Restaurant Experience:** Satisfy consumer demand with packaging that helps foods match the in-restaurant dining experience.
- **Increase Delivery Quality:** Keep fried foods crisp, cold foods cold, hot foods hot, and messy foods secure with packaging designed for today's menus.
- **Expand Menu Variety:** Go beyond pizza and other basic foods, opening entire menus to delivery with packaging designed for any food type.
- **Boost Customer Base & Profits:** Extend your reach to a new, larger pool of customers by offering a full line of foods to off-premise diners with packaging made for transporting.
- **Go Green, Be Conscious:** Utilize packaging that meets consumers' sustainable demands and regulators' requirements.

Sabert: The Market Leader in Delivery Packaging

- **Enhancing the Experience:** Sabert has developed packaging items perfectly suited for all delivery needs.
- **Decades of Delivery:** With years spent engineering perfectly portable packaging, Sabert's products are made for high-end restaurants and fast casual eateries alike.

Packaging Designed for Delivery

- **Stackable & Sealable:** Sabert's locking and stackable lids prevent leaks and spills, making travel in a car or in a delivery bag safe and secure.
- **Sustainable:** Containers are pulp compostable* or plastic recyclable**, reducing waste and ensuring regulatory compliance.
- **Versatile:** Sabert's delivery packaging is designed for hot foods, cold foods, salads, soups, and more.
- **Reheatable:** Microwave-safe and oven-safe options make reheating leftovers easier than ever for on-the-go consumers.
- **Upgraded & Affordable:** Elevate to more functional packaging and/or transition from styrofoam packaging without dramatic cost increases, while enhancing your brand's perception.

Material Features to Meet Your Application

	Compostable	Recyclable	Reheatable	Microwaveable	Ovenable up to 400° F	Refrigerator/ Freezer friendly	Moisture Resistant
