

****Limited Stock** Premium Plastic Beer Glass 12pcs**

You may just be sipping a beer on your patio, but Mozaik Premium Plastic 16 oz. Beer Glasses can make it feel like your favorite bartender just poured you the perfect pint. Made of BPA-free premium plastic, these shatterproof beer glasses are perfect for enjoying a limited release craft beer or a favorite pilsner with friends. The nonic-style ridge near the mouth of the glass helps you and your guests keep a tight grip on ice cold drinks, even on the hottest days. Take them to tailgates, picnics, or use them in place of red plastic cups for a more special feel at parties. For a frosty glass, swirl a bit of water on inside and outside of the glass, then place it in the freezer for 10-15 minutes before pouring your favorite beer. Hand wash the glasses for next time, or recycle if you'd prefer.
