

## Pulp Plus® 48 oz Square Container

Sabert's Pulp Containers offer a variety of packaging options for dine-in, takeout and delivery operations. Natural molded fiber pulp food packaging is certified for industrial and home composting, and is suitable for a variety of different food types including hot and cold food applications. The natural tan look of pulp, highlights the importance of food quality. Utilizing pulp containers helps operators showcase their commitment to sustainability, without compromising on performance or quality. Made in Sabert's proprietary Pulp Plus formula, this container is ideal for less oil-heavy menu applications, and is refrigerator safe for up to 7 days.
