Kraft 96 oz. Beverage on the Move® - Stock Print

Sabert's Beverage on the Move® helps operators drive to-go programs with coffee and signature beverages, maximizing incremental sales. The intuitive, one-piece design of the Beverage on the Move® ships and stores flat and assembles quickly and easily. Sabert's Pop, Fill & Go™ technology inflates the insulated inner bag during box assembly for operational ease and sanitary measures. By shipping and storing flat, this helps operators back of house save space, and allows cases to be optimized with case count. The lightweight, fluted material keeps beverages hot or cold for up to 2 hours.
