

Black 16" x 16" UltraStack® Square Platter with Clear 3" Dome Lid

Sabert's UltraStack® platters are designed for operators who need total confidence in food transportation, offering versatility for multiple food applications. Extra-strength deep walls and superior stackability make it easy to transport large and heavy foods. Audible button locks ensure secure stacking that won't disengage—even when tipped up to 30°. This reliable design prevents tipping and spills, providing a seamless and stress-free transportation process.
