Kraft Pop-Up Catering Tray

The corrugated construction of our Kraft catering products insulate your dishes effectively and efficiently, allowing you to transport a variety of heavy entrées without worrying about damaging or losing food integrity or heat. Sabert's Kraft Pop-Up Catering Tray is not food contact safe, and works well with prepackaged or wrapped foods. The tray fits one full pan, two-half pans, or a range of other packaged items. The tray allows for safe and secure transport, and is stackable. Once at the event, the box folds into place for presentation.
