A FULLY COMPOSTABLE FOOD CONTAINER

Sabert's new Pulp Folding Cartons provide ultimate quality and performance for dine-in, take-out and delivery meals. The Pulp Folding Cartons are versatile containers affixed with four flaps that serve as the lid and are secured by a double-lock system to minimize leaks and spills. The double locking lid also prevents gaps from forming, which ensures food will retain its temperature. Sabert's new Folding Cartons are the optimal solution for the growing need for compostable packaging.
