

CURBSIDE COCKTAILS

Mixed Drinks To-Go

REPLACE LOST SALES WITH CURBSIDE COCKTAILS*

Alcohol represents 20-25% of total sales, with some operators generating over 50% of revenue from adult beverages¹. Replace some of your lost dine-in sales with your own signature cocktails to go* with Beverage on the Move® (BOTM).

BOTM is perfect for non-carbonated mixed drinks**, like margaritas, mojitos and martinis. Why serve one mixed drink, when you can serve 8-10 cocktails with BOTM? Combine BOTM with drinkware for a complete beverage solution.

Our patented Pop, Fill & Go™ technology automatically inflates the inner bag during assembly for easy and consistent fill.

**Check your local liquor laws to see if this is allowed in your area*

***BOTM is not recommended for Carbonated Mixed Drinks, which may cause the enclosed bag to expand during transit*
