

# PULP HINGED CONTAINERS

A Sustainable Takeout  
Experience

## COMPOSTABLE CONVENIENCE

Pulp Hinged Containers combine quality and performance to provide a sustainable solution for takeout and delivery across a variety of menu applications. Delivering the perfect blend of convenience, durability and sustainability!

# FEATURES & BENEFITS

- Allows operators to reduce SKUs in back of house by only purchasing one item that works for a variety of applications
- Premium hinged design allows for easy opening and closing for both consumers and operators
- Strong and robust lock ensures containers remain securely closed during transit, eliminating leaks and spills during delivery
- Perforated lids that tear away easily for table-ready dining on-the-go
- Durable construction enables use with a wide variety of menu items and ensures safe and secure transport for takeout and delivery
- Moisture, oil and grease resistant to provide a mess-free dining experience
