

COMPOSTABLE TACO CONTAINERS

Taco-bout Takeout

SERVING UP BETTER TACO EXPERIENCES

Whether you're serving street tacos, appetizer samplers, or dessert assortments, Sabert's Pulp Plus® Taco Solutions help elevate presentation while keeping food organized and secure. Featuring both an all-in-one taco tray and a versatile taco insert, these molded fiber solutions offer flexibility for a variety of menu applications.

FEATURES & BENEFITS

- Available as either an all-in-one tray or insert, allowing operators to choose the solution that best fits their menu and packaging needs
- Keeps food organized, separated, and visually appealing for dine-in, takeout, and grab 'n go applications
- Microwave and oven safe up to 400°F, supporting a variety of foodservice applications
- Designed for tacos, small bites, samplers, desserts, and other creative menu offerings
