

PULP ULTRA™ PRODUCT LINE

Best-in-Class Performance

PERFORMANCE REDEFINED: THE ULTIMATE PULP SOLUTION

Pulp Ultra™ is the ultimate sustainable packaging solution that elevates performance without compromise. Engineered with an advanced coating, Pulp Ultra™ sets a new standard in molded fiber, delivering unparalleled protection against moisture, oil, and grease. With Pulp Ultra™ Sabert customers will achieve exceptional durability and resistance, redefining what's possible in environmental responsible food packaging.

FEATURES & BENEFITS

- Proprietary BPI certified coating offers superior resistance to oil, grease, moisture, and humidity
- Maintains product integrity in refrigeration for up to 30 days
- Ensures freshness in frozen applications for a minimum of 60-days
- Endures a range of reheat applications including microwave, oven and rapid cook ovens
- Ideal for a variety of food applications including Takeout & Delivery, Grab 'n Go, Fresh Prepared, Pre-packaged and more
